

STANFORD UNIVERSITY MEDICAL CENTER

DEPARTMENT OF GENETICS

January 22, 1980

Dr. Joshua Lederberg
President
Rockefeller University
New York, New York 10021

Dear Dr. Lederberg:

I followed your advice, and for your information I am enclosing a copy of the nomination for the 1980 Nobel prize in physiology or medicine. We greatly enjoyed the stay in your home. I hope everything is fine with you and we look forward to a new meeting.

Yours sincerely,

A handwritten signature in cursive script, appearing to read "L. L. Cavalli-Sforza".

L. L. Cavalli-Sforza
Professor of Genetics

LLCS:hf

encl.

A handwritten signature "Wright, S." with a horizontal line underneath. An arrow points from the signature towards the "encl." text.
